We see the BBT making thousands of unauthorized changes to so many of Srila Prabhupada’s books in this way completely destroying the authority of the books. Srila Prabhupada’s Srimad-Bhagavatam has remained relatively free from such changes for many years but now, with the release of the BBT Folio 2012 edition, we see the BBT have now produced a new and “updated” version of Srila Prabhupada’s Srimad-Bhagavatam complete with thousands of unauthorized changes and what the BBT consider are ‘improvements…’ Now they are even changing Prabhupada’s words in the Folio to what they think Prabhupada should have said… The BBT are determined to change Prabhupada’s books. They have not leaned from their mistakes, on the contrary according to one of the main BBT editors in recent years they have given us new, “improved”, revised editions of Srila Prabhupada’s Nectar of Instruction, Beyond Birth and Death and Perfection of Yoga and now they also have a new version of Srimad-Bhagavatam. I do not know if they have actually printed this new unauthorized edition of Srimad-Bhagavatam but it is included in the 2012 release of the Folio Infobase. Now, TTD has released all these books in the form of online editions ebooks.Click to Install TTD Ebooks Mobile AppThese 8 volumes are available for public free to download in the form of PDF. □□□□□ □□□□□ □□□□□□□□□□□□□□□□□□□ □□□□□□□□□□□□ □□□□□□□□□□.
